

Meet the Governors

Name: Mrs Joan Black (Board REP)

Work History:

I graduated from Stranmillis Training College in June 1960. I was appointed as Assistant Teacher in Dromore central Primary School on 1st October 1960. I was appointed as Mathematics Co-ordinator fro years 1-7 in 1987 and Vice-Principal of Dromore Central Primary School and 1st November 1990. I retired from Dromore central Primary School in June 1999.

Reason for being a Governor:

Following my retirement from teaching I was invited by the SELB to become a Governor of the new Nursery School to be built in Dromore. I was delighted to have the opportunity to continue being involved in education in my local area.

One key thing that has inspired you through your involvement with Dromore Nursery School:

Dromore Nursery School provides a wonderful opportunity for pre-school pupils to develop language and social skills in a happy and busy environment. The Principal and her staff welcome members of the Board of Governors into the Nursery School and involve them on both formal and informal occasions.
